

## Qualifying Income From Activities of Publicly Traded Partnerships With Respect to Minerals or Natural Resources

This is a Comment on the **Internal Revenue Service (IRS)** Proposed Rule: **Qualifying Income from Activities of Publicly Traded Partnerships with Respect to Minerals or Natural Resources**

For related information, [Open Docket Folder](#) 

### Comment

I recently invested money in the WLKP partnership. I made this investment based on the IRS letter of approval. Since the IRS has changed their mind, the value of my investment has fallen. I'm opposed to these changes proposed after the fact of the investment. It is not fair to investors or companies to make this change at this time. Please evaluate the changes and remove the proposed changes or at least grandfather the existing partnerships.

Thank you

Jerry Dunning
